Socket ST FL 9-pin 5 x 6.3 / 4 x 2.8 (1.017.002.00)

The compact and high-quality 9-pin MRS-Socket ST FL 9-pin 5x6.3 / 4x2.8 is perfect for your application when used with MRS-Relays. Use the socket to integrate the appropriate tab receptacles and then fix the cabling.

Your benefit is the easy handling of the MRS-Socket ST FL 9-pin 5x6.3 / 4x2.8. You can change relays quickly and easily without the risk of connection interchanging - even without circuit diagram knowledge.
